Admiral — style that takes soccer into the 90s

Make Admiral part of YOUR team

In keeping with a tradition founded on fresh thinking and innovation, Admiral has created a dynamic new look to mark the season that takes football into the 1990s.

Admiral style is guaranteed to give a brilliant boost to team spirit.

But style alone is not the only reason for changing to kit by one of the greatest brands in British sport.

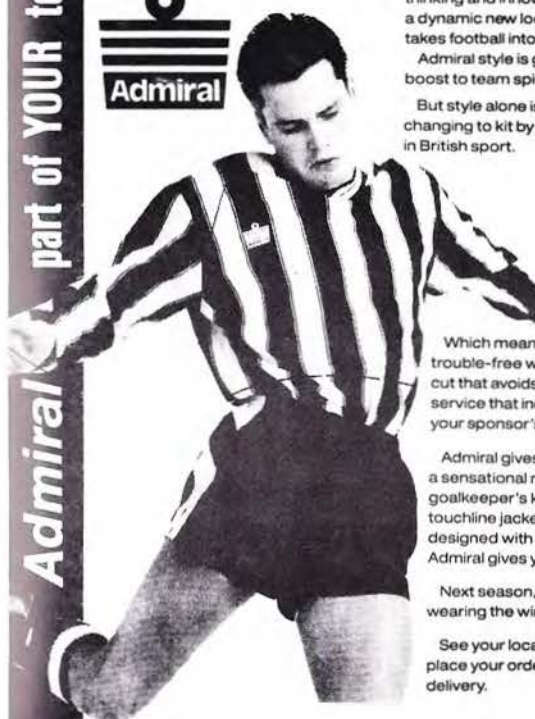

Admiral is a football specialist who understands that when you choose new kit for your team, you also demand in long lasting quality and value.

Which means match-long comfort, trouble-free wash performance, generous cut that avoids size and fit problems, plus service that includes jersey numbers and your sponsor's name or insignia.

Admiral gives you the best of everything — a sensational range of playing strip plus goalkeeper's kit, training gear, tracksuits, touchline jackets and sports equipment, designed with commanding style. And Admiral gives you confidence.

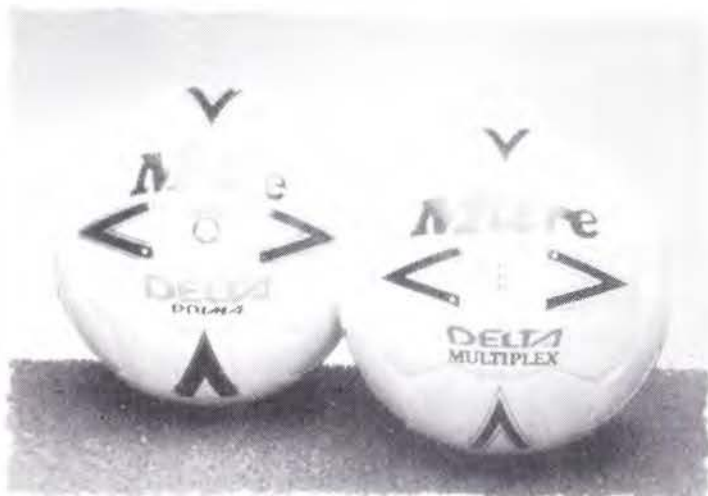

Next season, go for the championship wearing the winning style of Admiral.

See your local sports goods retailer and place your order early to ensure prompt delivery.
